

## LC-CC-240-B - JetFlow Series -

CPU liquid cooler  
with two 120 mm fans

- 2x 120 mm fan
- TDP: 250 W
- massive cooling capacity
- for Intel and AMD sockets
- aluminium radiator
- copper heat sink
- ARGB illumination (pump)
- colour adjustment via the mainboard's RGB software

### Technical specification - LC-CC-240-B

|                             |                                             |
|-----------------------------|---------------------------------------------|
| Cooling type:               | liquid cooling                              |
| TDP (Thermal Design Power): | 250 W                                       |
| Number of fans:             | 2                                           |
| Dimension (radiator):       | 275 x 120 x 27 mm                           |
| Dimension (fan):            | 120 x 120 x 25 mm                           |
| Dimension (heat sink):      | 65 x 65 x 44 mm                             |
| Dimension (copper plate):   | 56 x 56 mm                                  |
| Dimension (retail):         | 320 x 220 x 140 mm                          |
| Weight (product/overall):   | 1,2 / 1,9 kg                                |
| Rated voltage:              | 12 V DC                                     |
| Fan current:                | 0,32 A max.                                 |
| Pump power consumption:     | 4,08 W                                      |
| Fan speed:                  | 500 - 2000 rpm (±10%)                       |
| Airflow:                    | 20 - 70 CFM (±10%)                          |
| Air pressure:               | 2,1 mm/H <sub>2</sub> O (max.)              |
| MTBF:                       | ca. 40.000 hours                            |
| Fan noise level:            | 18 - 35 dB(A) max.                          |
| Pump noise level:           | < 30 dB(A) max.                             |
| Fan bearing:                | FDB (Fluid Dynamic Bearing)                 |
| Pump bearing:               | ceramic                                     |
| Flow rate:                  | 1300 ml/min.                                |
| Connection:                 | 4 pin PWM (fan)<br>3 pin 5 V (illumination) |
| Fan cable length:           | ca. 500 mm                                  |
| Radiator tube length:       | ca. 400 mm                                  |

|                       |                                                                                                                       |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------|
| Socket:               | Intel LGA:<br>1150/1151/1155/1156/1200/1366/1700/<br>2011/2011-3/2066<br>AMD:<br>FM1/FM2/FM3/AM2/AM3/AM4/AM5          |
| Material:             | radiator: aluminium<br>heat sink: copper, plastic<br>fan: plastic<br>tubes: rubber, nylon sleeving                    |
| Mark of conformity:   | CE                                                                                                                    |
| Colour:               | black                                                                                                                 |
| Barcode:              | 4262443280340                                                                                                         |
| Manufacturer code:    | LC-CC-240-B                                                                                                           |
| Included in delivery: | 1x heat sink/radiator<br>2x 120 mm fan<br>1x thermal paste<br>1x back plate<br>1x mounting material<br>1x user manual |
